

## Wirkstoffe für die Pharmazeutische Industrie Made in Europa

2-Chloropropionic acid, sodium salt

3,4-Diaminopyridine phosphate

4-Methylpyrazole free base

4-Methylpyrazole sulfate

Amsacrine hydrochloride

Anthrarobin

Avizafone hydrochloride

Bethanechol chloride

Carbachol

Dichloroacetic acid, sodium salt

Diphemanil methylsulfate

Dithranol (Anthralin)

Fenfluramine hydrochloride

Isoprenaline hydrochloride

Mepacrine dihydrochloride dihydrate

meso-2,3-dimercaptosuccinic acid  
[succimer]

Methacholine chloride

Methyldopate hydrochloride

Pipobroman

Pralidoxime chloride

Proguanil hydrochloride

Pyridostigmine bromide

Sodium sulfide nonahydrate

Tacrine hydrochloride hydrate

Thalidomide

Thiobutabarbital, sodium salt

Triethylenetetramine tetrahydrochloride
